ROLL CALL

Quorum Reached

APPROVAL OF THE AGENDA

ACTION ITEMS

- a. New RSO Request: Rocketry Club (Presentation time 5:12 – 5:16)
 - a. Build high-power rockets, go to competitions
 - b. Dr. Hakes advisor
 - c. Will launch recruitment tactics, tabling, flyers, etc
 - d. Need to become an RSO to get funding to supply materials, attend competitions, ensure safety, host workshops for campus
 - e. Want to create a welcoming space for people to get into rocketry, safely fail & learn in a controlled environment, get people certified if interested
- Questions
- i. Have people in mind for passing the club on, we have freshman & sophomore members currently who could continue it on

- ii. Different from aerospace club, we actually build rockets, they're more focused on the theoretical math for much more advanced things
- iii. We have four officers and will be recruiting this weekend for general members, already have people interested in officially joining
- iv. Meet weekly, workshops & launches would be weather dependent but shooting for frequent build sessions

Deliberation

- v. Good presentation, said that they had established interest going forward
- vi. Very good for physics and engineering classes
- vii. People in those majors are already so busy
- viii. Being an RSO I wouldn't allow them to do what they would be doing
- ix. Voting
 - 1. Unanimous vote in favor of approval as RSO II
 - 2. Will need to attend ASFLC meeting Oct 15

b. Travel Grant Request: Alaska Native Club (5:35 – 5:39)

- a. Going to Alaska Federation of Natives conference in Anchorage
- b. Five students going, approved to go without an advisor due to multiple people having family in Anchorage, including parent willing to be host & emergency contact
- c. Requesting \$1,000, getting \$750 from NAC, fundraising otherwise

Questions

- i. Will leave October 15, come back 19/20th
- ii. Have reliable travel when in Alaska

Deliberation

- iii. Like that they're just requesting \$1,000, so only need approval from us
- iv. Seem like they know exactly what they're doing
- v. They're fundraising, so wanting to compensate for food is fine
- vi. Voting
 - 1. Unanimous vote in favor of \$1,000

DISCUSSION TOPICS

- Might have an RSO approval request next week

ANNOUNCEMENTS

Approved \$1000 to be spent - \$14,995 left
